

Boeing Employees Alpine Society Equipment Rental Agreement

I, the undersigned, agree to the following conditions when borrowing equipment from the Boeing Employees Alpine Society (BOEALPS):

- 1) I am a current member of BOEALPS, having fully paid my membership dues for this current year in which I am borrowing the equipment;
- 2) I am in good standings with BOEALPS, having no outstanding payments due to BOEALPS and having returned any equipment previously borrowed;
- 3) I understand that I can only borrow one item of each type, or pair of each type (for skis, snowshoes), unless I have a family membership and need to borrow multiple items for my family members; Any borrowing of multiple items must be discussed and agreed to with the gear focal;
- 4) I will return all equipment in the same condition as received (tents to be fully dried out and clean); It is my responsibility to inspect the equipment prior to borrowing it and to verify that the equipment is in good working condition and suitable for the intended usage;
- 5) I will return all equipment on the date specified and to the same location it was borrowed from; If I am unable to return the equipment on the specified date and to the same location, I will notify the gear focal on or before the specified date to make alternate arrangements for returning the equipment; I understand that, unless discussed and agreed to beforehand with the gear focal, the maximum loan period is 2 weeks;
- 6) I understand that if I intend to use the borrowed equipment outside the state of Washington and/or for longer than the maximum loan period of 2 weeks, I may require approval from the BOEALPS Executive Board, as determined by discussion with the gear focal;
- 7) I understand that I am fully responsible for the equipment from the moment it is handed to me until I return it, and that if any equipment is damaged or lost while in my possession, I will replace and/or repair the items promptly; Any replacement or repair of equipment will be coordinated with the gear focal on or before the specified return date;
- 8) I understand that I am fully responsible for using and knowing how to use the borrowed equipment properly, correctly and per its intended usage; I will not hold the BOEALPS responsible for any misuse of the borrowed equipment, or for any incident resulting from the use of the equipment;
- 9) If any borrowed equipment requires batteries to operate, I understand that I am fully responsible for verifying that provided batteries (if any) have sufficient power and life for the intended use, and that I will supply my own batteries as backup or if none are provided;
- 10) I agree that participants using this equipment WILL NOT consume alcohol, illegal or recreational drugs before or during use of equipment;
- 11) I understand that my conduct during use of the equipment is representative of the BOEALPS and The Boeing Company.
