

Boeing Employees Alpine Society

BRC Squamish Outing

Overview:

This outing is intended to use previously learned skills of rock climbing techniques, gear management, and climbing team communication with an emphasis on becoming more efficient. Climbing will be diverse and include single pitch sport and trad routes.

Learning Objectives:

- ✓ Improve climbing techniques for various route types
- ✓ Efficiently follow and clean technical trad routes
- ✓ Rope management techniques and efficiency techniques
- ✓ Read and understand topos and route descriptions
- ✓ Navigate to and identify routes based on the guidebook description
- ✓ Better evaluate your ability to follow a climb based on a guidebook rating
- ✓ Better understand your physical and mental response to being high up on steep rock (exposure) and learn to manage risk and fear

Location & Camping:

It is a 3 to 5 hour drive (depending on traffic and the border crossing) and a great destination, so many will turn it into a 3-day weekend and head down Thursday night. Otherwise plan on leaving Seattle Friday night.

Location:

- ✓ Squamish, British Columbia
- ✓ <http://www.squamishclimbing.com>

Camping:

- ✓ Group site reserved at Brennan Park Municipal Campground Squamish
 - Group Site 3
 - 1009 Centennial way
 - Squamish, BC
- ✓ Other Areas available on your own: [Klahanie Campground](#), [Stawamus Chief Provincial Park](#), Squamish Hotels

What To Bring:

- ✓ **PASSPORT**
- ✓ Squamish Book (Optional)
- ✓ ALL climbing gear, including a rope if you have one
- ✓ Camping gear

Boeing Employees Alpine Society
