ALPINE ECHO

January 29, 1965

MONTHLY MEETING

The next monthly meeting will be Thursday, February 4, at 7:30 P.M. in the BSEL Math Seminar Room. All members who have slides from the BOEALPS trips to Van Trump Park and Mt. Hood are invited to bring them to the meeting. Plans for next month's activities will be announced and discussed. A feature of the meeting will be the U. S. Forest Service film, "Avalanches to Order". The BOEALPS shoulder patches are in the mail and should be available at the meeting.

Cordillera Blanca, 1964 Seattle Expedition

A comprehensive account of an ascent of Huascaran, Peru's highest mountain, has been published. It includes South American information as well as details on menus, equipment, medication and other valuable subjects along with plans for an ultra-light weight headlamp which was used on the ascent. Copies are available (\$1.00) from Lee West, 5-6453.

VAN TRUMP

On Saturday, January 1<sup>b</sup>, 13 BOEALPS members and guests snowshoed into Van Trump Park in Mt. Rainier National Park. Seven members spent the night at Van Trump Park; the others returned to their cars Saturday evening.

The temperature extremes at Van Trump were 62 degrees Saturday afternoon and 38 degrees Sunday morning. Several members snowshoed to the upper ridge above Van Trump before leaving Sunday afternoon. Party members included Roland Amundson, Jim and Nancy Mitchell, Lee West, Lee Sterrett, Ramona Hammerly, Heinz Recker, Bob Brooks, John Byron, Jerry Paynter, Dennis Hendrickson, Orville Dorsett, and Dave Kohr.

MT. HOOD

Fifteen BOEALPS members were blown off Mt. Hood in an attempted climb on January 23-24. The party climbed to Silcox hut Saturday. It was blowing and snowing lightly. During the night the wind became stronger. A wand-line was established to the upper chairlift Sunday morning. Visibility at times was reduced to less than 10 feet. A telephone call was made to the Forest Service from the upper chairlift terminal. We were advised to descend to Timberline because the storm was expected to last at least another day. We left Silcox hut at 1:00 P.M. and reached Timberline at 4:20 P.M. Distance: 1 mile. Party members were Bob Brooks, Bob Storassli, Jim Mitchell, Jack Eby, Roland Amundson, Lee and Judy Sterrett, Ramona Hammerly, Ron Yuill, Roger Neubauer, Claude and Bill Glenn, Mike Berkey, Ed Mazur, and Frank Bannon.

SCHURMAN ROCK

A BOEALPS rock practice has been scheduled for Schurman Rock beginning at 9:00 A.M. on Sunday, February 7.

#### BOEALPS SNOWSHOE TRIP

A BOEALPS snowshoe trip to Van Trump Park has been set up for next weekend (Jan. 16-17). This is an optional 1 day or 2 day trip. The trail distance to Van Trump Park is 2.3 miles. Comet Falls, the highest waterfall in Mt. Rainier National Park (320 ft.) is 1.6 miles from the road on the Van Trump Trail. If you plan to spend the night bring your own shelter. It may be possible to dig into the trail shelter at Van Trump Park. There is about 10 feet of snow at this elevation (5000'), so don't depend on getting into the shelter. We will meet at Longmire at 8:30 A.M. Saturday, January 16. If the parking area at Christine Falls is not open we will have to leave some of the cars at Longmire. For those who come late or come on Sunday, the trail begins at Christine Falls about 4.5 miles from Longmire on the Paradise Highway. If you need a ride or shelter or have room for someone else call Jim Hitchell (x5-3817).

#### MT. HOOD

Plans have been made for a climb of Mt. Hood on January 23 or 24. Details will be given in an Echo early next week. A pre-climb meeting is planned for Wednesday, January 20.

Mt. Phelps

The BOEALPS will climb Mt. Phelps (5540<sup>0</sup>) on Sunday, March 28. Mt. Phelps is marked McClain Peak on the U.S.F.S. and U.S.G.S. maps. It will be a trail and snow climb. Several BOEALPS members made the climb on March 14 and found excellent snow conditions. The climb will begin at the Lennox Creek mining camp (1600<sup>0</sup>) on the North Fork Snoqualmie River, at 5 a.m. Sunday. A Saturday night camp at the mining camp is recommended. The driving time from Seattle to the mining camp is approximately 1 1/2 hours. All BOEALPS members and guests are invited to join the climb. Please call Jim Mitchell for sign-up or if you have any questions. X5-3817 or EA 4-3595 evenings.

## ALPINE ECHO

### Monthly Meeting

The next BOEALPS meeting will be on Thursday, April 1 at 7:30 p.m. in the BSRL Math Seminar Room. The program for the evening will feature slides taken on the first winter ascent of Mt. Olympus. The show will be presented by John Morgord, president of the University of Washington Climbing Club. John was one of four who made the climb. This show will be of special interest to those who have climbed Mt. Olympus but never seen it. Refreshments will be served after the meeting.

### Mt. Phelps

Fourteen BOEALPS members participated in a climb of Mt. Phelps (Mt. McClain) on Sunday, March 28. The climb began at the Lennox Creek mining camp at 6 a.m. The summit was reached at noon. It snowed throughout the climb. It was necessary to break trail through fresh snow on most of the climb. The general feeling about the climb was expressed by a well-known member of the party, "It was the best lousy-day climb I've ever done!"

**ALPINE ECHO  
MONTHLY MEETING**

Be sure to attend the next meeting at the BSRL Math Seminar Room on Thursday, March 4. The meeting will begin promptly at 7:30 P.M. The Program for the evening will include a slide show and a movie. Mike Rees will show slides taken on a tour of Peru following a successful ascent of Huascaran, Peru's highest mountain. This is not the same show that was presented to BOEALPS on the ascent of Huascaran. The slides will include scenes of the Peruvian countryside, Lima, and Inca ruins. The film to be shown is "Winter Olympics" from the U. S. Forest Service. It contains useful avalanche information. Activities for the coming month will be discussed. Refreshments will be served after the meeting.

**MT. SI**

Fifteen BOEALPS members climbed Mt. Si on Saturday, February 20. The weather was good and most of the party stayed at or near the summit all day. A few members set up a rappal practice while others practiced climbing on the haystack.

**SHOULDER PATCHES**

Shoulder patches are still available. Contact Dennis Hendrickson (7-5140) or Jim Mitchell (5-3817). They will be available for \$.75 at the meeting.

### Camp Muir

Lee West will lead a BOEALPS climb to Camp Muir on Saturday, April 17. Bring snowshoes, ice axe, lunch, and warm clothing. Be ready to leave Paradise at 7:00 a.m. Call Lee West (5-3409) for sign-up.

### Hard Hats

Hard hats are available for \$4.00 from Jim Mitchell (5-3817). These are the same hard hats we have sold in the past.

### Wonderland Trail

Betty Filley is setting up a 1-2 week hike on the Wonderland Trail around Mt. Rainier this summer. Tentative plans are to make the hike the last two weeks in August. If you are interested in this trip call Betty Filley at MA 2-2600 or CH 2-4372, evenings.

### Polallie Ridge Lookout

Be thinking about the Polallie Ridge Lookout project and come to the next meeting (May 6) with your ideas. We will try to reach a decision at that meeting.

### Membership Roster

The attached membership roster contains the names of members who have paid their dues. If there are any errors or omissions please call Jim Mitchell (5-3817). With few exceptions the mailing list will include only those who are on the membership roster.

July 12, 1965

Wonderland Trail

Plans for the BOEALPS' hike on the Wonderland Trail around Mt. Rainier are nearly complete. The 95-mile hike will be undertaken by segments. Portions will be hiked on three weekends with the remainder to be hiked from August 27th to September 4th. The trip is open to anyone in good physical condition, preferably with some backpacking experience. Participants must furnish their own food and equipment and must attend a meeting to be held at 7:30 p.m. on July 15 in the BSRL cafeteria. If you are interested in this trip or any part of it, contact Mrs. Bette Filley, MA 2-2600 (days) or CH 2-4372 (evenings).

Mt. Rainier

A BOEALPS' climb of Mt. Rainier is being planned for August 14-15. All participating climbers must 1) be a graduate of a basic climbing course or have equivalent experience in self-arrest and crevasse rescue techniques, 2) have climbed a major peak this year or show evidence of adequate conditioning and 3) meet the requirements set forth by the National Park Service. These requirements include a complete check of equipment and clothing by a park ranger before the climb is attempted. A detailed list of climbing rules and equipment requirements will be sent to any member interested in the climb. Part of the August 5th BOEALPS' *meeting* climb will be a pre-climb meeting for the Mt. Rainier climb. For more information or for sign-up, contact Jim Mitchell (x 5-3817) or EA 4-3595, evenings.

Glacier Peak

A private climb of Glacier Peak (10528) is being led by Jim Mitchell on July 31-August 1. All interested BOEALPS members, especially those planning to climb Mt. Rainier, are invited to participate in the climb. This will be an excellent conditioner for Mt. Rainier. The Glacier Peak climb will be a two-day climb on either the Glacier Ridge or the Sitnum Glacier (via Kennedy Hot Springs) route. Please sign up with Jim Mitchell as soon as possible if you plan to make the climb.

### Monthly Meeting

The next BOEALPS meeting will be Thursday, August 5, in the BSRL Math Seminar Room. The business meeting will begin promptly at 7:30, followed by slides. If you have slides of interest bring them to the meeting. Part of the meeting will be devoted to a pre-climb meeting for the Mt. Rainier climb. Be sure to attend if you plan to make the climb. Refreshments will be served following the meeting.

### Accident Victim

Recently Pat Chamay, a BOEALPS member, was injured in a climbing accident on Mount Baker. He will be in the United General Hospital in Burlington for approximately a month. Traction is being applied to his right leg. If any BOEALPS members are going to be climbing in the northern Cascades, Pat will appreciate a visit as you pass through. For more information call Jim Mitchell 5-3817 or EA 4-3595 evenings.

### ALPINE ECHO

#### Monthly Meeting

The next regular BOEALPS meeting will be postponed one week to avoid conflict with the Labor Day weekend. The meeting will be at 7:30 on September 9 in the BSRL Math Seminar Room. Bring your slides from the Wonderland Trail trip and the Glacier Pk. and Mt. Rainier climbs. Also bring your ideas on how to spend our money. Refreshments will be served.

#### Rock Climbers, Hikers, Loafers

A BOEALPS outing in the Sawtooth Range of the Olympics is being planned for the Labor Day weekend. Base camp will be at Flapjack Lakes, 4 miles by trail from the Staircase Road above Lake Cushman. Activities available in this area are good rock climbing (all degrees of difficulty), hiking, fishing, and loafing. Elk and deer are frequently seen in this area. If you are interested in this trip, contact Jim Mitchell x5-3817 or EA/1-3595 between August 30 and September 3.

#### Mt. Rainier

Fourteen BOEALPS members and guests successfully climbed Mt. Rainier under ideal weather conditions on Sunday, August 14. The Disappointment Cliaaver route was followed from Camp Muir. BOEALPS members who reached the summit were: Dick Goodemoot, Ron Mayo, Ed Mazur, Jim Mitchell, Nancy Mitchell, Dick Peterson, and John Raiche.

M.S. 38-39

ALPINE ECHO

September 28, 1965

Monthly Meeting

The next BOEALPS meeting will be in the BSRL Math Seminar Room on Thursday, October 7 at 7:30 pm. Election of officers for the coming year will be held at this meeting. Winter activities will be discussed. Comments on previous activities and suggestions for future activities will be welcomed. Included in the program will be a slide tour of Yosemite National Park with views of the popular climbing areas in Yosemite Valley. Refreshments will be served.

Peshastin Pinnacles

Len Waller will lead a BOEALPS outing at the Peshastin Pinnacles on the weekend of October 2-3. The Pinnacles is the best sandstone climbing area in the state and offers climbs of all grades of difficulty. There are no campgrounds in this area. Most members who have expressed an interest in the trip are planning to stay in a motel (TV, heated swimming pool, etc.) in Wenatchee, approximately 15 miles from the Pinnacles.

Driving instructions: Drive via Stevens Pass (U.S. 2) or Snoqualmie Pass (U.S. 10) and Blewett Pass (U.S. 97) to an exit 4.1 miles east of the junction of the Stevens Pass and the Blewett Pass highways. An asphalt road leads west to an orchard dirt service road (1 mile). Walk or drive to the northeast corner of the orchard. The dirt road ends near Grand Central Tower. Driving time from Seattle is approximately 3 hours. Meet at the northeast corner of the orchard at 9:00 am both days.

In order to preserve the standards of the existing routes do not carve additional holds or place more bolts on existing routes. Most existing routes have adequate bolts with hangers in place. If you plan to climb a route with bolts carry a few extra  $\frac{1}{2}$  inch Rawl hangers with nuts. Piton cracks are scarce on most routes. Bring a good supply of carabiners. Be prepared to rappel. Bring one rope for every two climbers.

For additional information call Jim Mitchell, 5-3817.

Election of Officers

A three-man nominating committee was appointed at the September meeting. Following is a list of nominees for the elected offices of the Boeing Alpine Society. Nominations from members attending the October meeting will also be recognized and voted upon. Nominations will not be accepted at the October meeting unless the consent of the nominee has been obtained.

Nominees: President: To be nominated  
Vice President: Roland Amundson, Pat Chamay, Ron Johnson  
Secretary: Ramona Hammerly, Max Junejo, Bob Storaasli  
Treasurer: Bob Brooks, Ray Smutek, George Watt

MT. GARFIELD CLIMB

Response to the scheduled climb of Mt. Garfield, on the 24th of Oct. was so good that the leader, Lee West, decided to divide the party into two separate climbs. The reason for this division was because of rock fall hazzard with a large party.

The first group, lead by Jim Mitchell, was to climb the mountain on the 17th of Oct. Reconnaissance by Jim had shown a considerable amount of snow on Mt. Garfield and the party decided instead to do another mountain in the Snoqualmie Pass on the morning of the 17th and the party proceeded on to Peshastin Pinnacles to enjoy flawless weather. The party included Bob Storassli and Bob Brooks and Jim Mitchell.

The second section is to climb this weekend, the 24th of Oct. and will be led by Lee West. Lets hope for better conditions for Lee's trip.

#### SHOULDER PATCHES

The distinctive "BOALP" shoulder patch is still available. Contact Dennis Henderickson, Phone 7-5907, for information. The price is a mere \$.75 per patch.

#### HARD HATS

Hard hats are also available although the supply is running short. Contact Jim Mitchell, Phone 5-3817, for information. The price is still only \$4.00, so HURRY!

#### MONTHLY MEETING

The monthly meeting of the BOEALPS will be on Nov. 4, 1965 in the Math Seminar room at BSRL. The meeting will feature a slide show by George Watt of the BOALPS cutting on the "WONDERLAND TRAIL" on Mt. Rainier. Immediately following the meeting, refreshments and conversation will be offered in the BSRL cafeteria.

ALPINE ECHO

CASTLE ROCK

November 14, 1965

The BOEALP outing to the Leavenworth Rock climbing area turned out to be one of the smallest on record. Only two climbers, George Cunningham & Ray Smutek, participated. Rainy weather, and consequently wet rock, favored abandoning the originally planned climbs on Castle Rock for the high friction sandstone of the Peshastin Pinnacles. There, two routes were climbed - - the Martian Slab, and the Corkscrew (on Grand Central Tower). While undoubtedly a fine route in dry weather, moss on the Martian Slab makes it somewhat treacherous when wet.

RAMONA'S BEACH HIKE

November 26, 1965

A party of four lead by Ramona Hammerly made their way along Ruby Beach to Goodman Creek, and back to the car. The trail is reported steep and elusive many possible routes. Ramona plans to return to this area.

MONTHLY MEETING

December 2, 1965  
7:30 P.M. BSRL  
Math Seminar Rm

Following the regular business meeting there will be an open panel discussion the technical climbing aspects of winter mountaineering in the Cascades, Olympics, and Canadian ranges. Panel members, Dan Davis, Ron Liska, and Tom Stewart will be recounting their experiences on winter first ascents, such as the North Peak of Mt. Index, Mt. Robson and Mt. Sir Donald. Emphasis will be on climbing equipment, safety precautions and special techniques. Slides of winter climbs will be shown at the beginning of the program.

Members and guests are cordially invited.

NACHES PEAK  
2290 METERS

December 11 & 12

Three BOEALPS members, Norm Clarke, Glenn Riehl and Frank Bannon, left their car at Cayuse Pass 9:00PM Saturday night and ascended on skis and snowshoes towards Naches Peak. A high camp was established at Tipsco Lake, where they spent the night.

At about 8:00AM, Sunday the party was strengthened by seven additional members and a summit assault was made. Snow conditions were such that snowshoes were not required, so they were cached. A conference held by leaders, Lee West and Frank Bannon, rendered the route to be the north ridge covered by approximately 2/3 meter of snow.

Bob Storaasli led the final traverse of the ridge and reached the summit at 11:00AM, where he was joined by John Raisch, Ron Johnson and Lee West. The balance of the party stopped about sixty meters short of the summit on the ridge.

The weather was clear and visibility was good in all directions. A mountaineer party was clearly visible on the west summit and there was an excellent view of Mount Rainier and surrounding summits.

There was an equipment shortage in the party for winter climbing. Some of the members did not have lug soles or ice axes. However, those who did not, remained on the north ridge and did not advance to a point where such equipment would be necessary.

Party members were:

Bob Storaasli	Frank Bannon
Ron Johnson	Glenn Riehl
John Raisch	Bob Gunning
Lee West	Norm Clarke
Bill Fantozzi	Les Sterrett

1966 MEMBERSHIP

Membership dues will be collected at general meeting on January 6, 1966. Please fill out attached questionnaire and membership blank. If you can not make the meeting, dues are payable to BOEING EMPLOYEES ALPINE SOCIETY.

Mail to: Bob Brooks  
8305 N. E. 183rd  
Bothell, Washington 98011

PLEASE: Fill out both forms complete and mail intact.

Be sure to include ZIP CODE and CITY

*Dues \$2.00*

VOLUME DISCOUNTS ON CLIMBING ROPE

The BOEALPS have an opportunity to purchase Plymouth Goldline (lay-nylon) ropes at a savings of 40% over retail prices. This is a great opportunity for Club Members to stock-up on sling rope or buy new climbing ropes. The discount, however, applies only to the purchase of spool lots, so individual orders must be pooled. We have been quoted the following prices, including sales tax:

<u>DIA.</u>	<u>TENSILE</u>	<u>RETAIL PRICES</u>		<u>BOEALP PRICES</u>	
		<u>120 Ft</u>	<u>150 Ft</u>	<u>120 Ft</u>	<u>150 Ft</u>
1/4 inch	1750 lbs	7.50	9.38	3.80	4.70
3/8 "	3800 "	12.50	15.63	7.60	9.50
7/16 "	5200 "	20.01	25.01	11.85	14.80

Orders must be placed by Wednesday, January 3rd. Minimum order is 120 feet. Larger orders must be a multiple of 120 feet or 150 feet. If you need an odd amount, group your order with someone else. Mail your order to Ray Sautek, 2-3930, 45-33. For additional information, call him on extension 5-9135. If enough orders are received, ropes will be available C.O.D. in January.

---

FUTURE ECHO'S EDITOR

December 23, 1965

Any BOEALP wishing to enter anything in the ECHO may do so by calling our new EDITOR, George Cunningham on 5-6166.

Reasons to call George:

1. Did you change your address or phone number?
2. Did you lead a BOEALP Climb last weekend?
3. Do you want to buy or sell equipment?

---

STANDARD FIRST AID COURSE

January 13, 18, 20  
25, 1966

Jim Mitchell will be instructing the Standard Red Cross First Aid Course on the above dates at 2106 - 2nd Avenue in Seattle between 7:00 and 10:00PM, Tuesday and Thursday. Any BOEALP interested in taking advantage of this course should sign up with Jim, Phone 5-3817 or EA 4-3595 before December 30, 1965.

---

MONTHLY MEETING

January 6, 1966  
7:30 PM  
BSRL Math Seminar Room

The January program will be Winter World and Winter Safety, two films that give timely dope on winter camping and snow touring. Ray Sautek says programs are planned through 1966.

---
